Garam Hain Raham. Ajay Devan's latest movie Shivaay. Movie Review: Ajay Devan's Shivaay is an Ageless love story set in the early 1900s, a love story that comes alive with the heart and soul of a bond that is as old as time itself. The story revolves around an orphaned boy named Shiv (played by Salman Khan) whose grandfather on his mother's side, is none other than Lord Shiva. The story picks up with Shiv, who lives in Kolhapur in the year 1906, in the midst of chaos. He comes to know that his grandfather has died and that his mother, Janaki, is getting married to a rich man named Mohanlal. Shiv meets with a tragic accident and is taken to the hospital, where he is informed that he will soon be married to Mohanlal's daughter, but it is only later that he learns that the bride-to-be is none other than his mother, Janaki. Before the wedding can take place, Shiv and Mohanlal's son, Vinod (played by Tiger Zinda Hai actor Vivek Oberoi), fall in love and elope. The film ends with the couple, pregnant with their first child, being arrested by police for running away. The film is directed by Ajay Devgn and produced by Atul Agnihotri and Bhushan Kumar, while Boney Kapoor's B Movies banner holds the production banner. The film also stars Bhumika Chawla, Rakesh Bapat and Rituraj as Vinod, Shiv and Mohanlal respectively. In the technical department, the film is a very impressive entertainer, with an excellent story line, superb cinematography and a soundtrack that is definitely catchy.

'Shivaay' is a very intense story that is a must watch for all those who are fond of good movie-making. (THS) Review by Rediff.com Shivaay is an entertaining drama by Ajay Devgn. However, it doesn't have enough scope and depth for a comparison with the original Marathi play on which it is based. Ajay Devgn's Shivaay is an entertaining drama by Ajay Devgn.
